

**TOWN OF DURHAM  
SELECT BOARD  
REGULAR MEETING MINUTES  
January 5, 2021**

**Members present via Zoom:** Kevin Nadeau, Chair; Rob Pontau, Vice Chair; Richard George; Marc Farrin; Todd Beaulieu

**Also present via Zoom:** David Barrett, Maine Municipal Association

Kevin Nadeau opens the meeting at 6:08 p.m.

Kevin Nadeau gives a brief overview of the meeting, which is to hear input from the community regarding the search for Durham's first Town Manager.

David Barrett gives his background and an overview of his/MMA's role in the Town Manager search.

Lois Kilby-Chesley points out that the advertised start time for tonight's meeting was in error. Kevin Nadeau pauses the town manager search discussion until the advertised time, and moves the discussion to a possible new domain for Durham, in response to the email hacking situation. After a brief discussion, the subject is tabled to a future meeting after more information is gathered.

The time is now in line with what was advertised for the meeting, so the discussion returns to the Town Manager search.

**Public Comment:**

Comments are heard from: Lois Kilby-Chesley; Michelle Ritcheson; Heather Roy; Debbie Oliver; Leigh Fisher; Terry Kirk; Candace deCsipkes; and Anne Torregrossa.

Kevin Nadeau closes the Public Comment portion of the meeting.

The Select Board and David Barrett discuss how to involve non-board members and Town of Durham employees in the Town Manager interview process.

**Kevin Nadeau Moves to Adjourn at 7:49 p.m. Rob Pontau Seconds.  
Motion Carries 5-0.**

Respectfully submitted,
