

# MARC DERR

## BUDGET COMMITTEE

My name is Marc Derr and I am a candidate for Budget Committee. My wife Emily and I moved to Durham in 2021 and we have two children who attend Durham Community School. I am originally from North Carolina where I worked for county government for nearly fourteen years. I currently serve as a Planning Board Alternate and am an active member of the DCS PTA. I am seeking a seat on the Budget Committee as an opportunity to serve this amazing town we are blessed to call home. I believe the town budget should be transparent and carefully scrutinized in its implementation. If elected I will bring a critical eye to the process and work with the Committee to make budget recommendations that are centered on the best interests of the tax payers.

Thank you,  
Marc Derr
