

**PHYLLIS BRANNON**  
**BUDGET COMMITTEE**

My name is Phyllis Brannon and I'd appreciate your vote for a 3 year term on the Budget Committee. I've lived in Durham for 35 years and have seen it grow while maintaining its rural feeling. I recently completed a 1 year term on the Budget Committee where you will be voting on articles for services provided. WOW, did I learn how much services cost! Some costs are driven by set rates and inflation while others are negotiable. My learning during this time has enabled me to better understand where and how costs of services should be spent. As a budget committee member, I need to bear in mind citizens income and what is affordable for services rendered. I welcome your thoughts or questions.

Thank you,  
Phyllis Brannon
