### When did you start working at Durham Fire?

I started working in December 2000. In 2001, I received my EMS License. In 2004, I was chosen to fill the Americorp Grant funded two-year position. I was also promoted to Captain that same year. In 2005, I received my Fire 1 and Fire 2 Certificate.

### What do you love most about working at Durham Fire?

Overall it's a family orientated environment, you never know what the day is going to bring. The brotherhood and sisterhood at Durham Fire & Rescue is unprecedented.

### When you're not working at Durham Fire, what do you enjoy doing?

Spending time outside in my gardens, traveling, doing crafts and spending time with my grandchildren and my lovable companion, Milo (pictured above).
